Global Recognition Through Ofqual regulated Certifications

About ABMA Education

ABMA Education is an Awarding Organisation based in the UK that offers qualifications across the world. Recognised by Ofqual, ABMA Education can create educational content and course structures that meet the highest international standards. Underpinned by quality and extensive research, ABMA qualifications and educational products propel learners towards achieving their career dreams and transform the prospects of people who want to take on future challenges and the success they bring.

ABMA is Ofqual recognised and our Ofqual Number is: Rn5277

ABMA G-TEC

G-TEC EDUCATION is an ISO certified organization in the noble field of education in various segments including ICT, Academic programs, ITeS, Corporate trainings, Skilling and vocational trainings including Government projects through quality learning and training centres. G-TEC is one of the world's largest education network with 500+ from training centres in 15+ countries and is reputed for its quality, brand and vendor certification.

G-TEC serves as the training and certification partner for all major giants including Microsoft (USA), SAP (Germany), IBM, Adobe, EC Council, IAB (UK), BCS (UK), IIBI, Edexcel, Interlinguae (Italy) apart from Government bodies such as NSDC, NIELIT, Keltron to name some.

About the Partnership

ABMA Education and G-TEC have embarked on a new relationship, one that will bring huge benefits to learners in India and internationally.

The partnership is initially focused on key areas of development:

- The launch of newly strengthened course content that will propel learners to new levels of attainment in exciting sectors that are constantly evolving.
- The delivery of certifications that for the first time will be backed by an Ofqual recognised awarding organisation, increasing employability and standards.
- The underpinning of new quality standards built by G-TEC and ABMA Education together that will be a market leading partnership with ambitious goals to transform the training sector.

This partnership will be truly international and will bring significant benefits to learners whose ambitions match those of this collaboration.

Benefits of ABMA Qualifications

Below are some of the key benefits learners will receive from undertaking these programmes:

- Certification endorsed by a UK Ofqual recognised Awarding Organisation
- The latest training skills needed right now by employers
- Study that is relevant, enjoyable and challenging
- More opportunities and more career options than ever before
- Unbeatable value
- The chance to excel in future high pressured job roles
- The ability to beat the competition
